

Lifetime Limited Warranty

All Simmons products are engineered to deliver to your expectation and manufactured to withstand the rigors of the outdoors for the lifetime of the product. In the event that our product fails you, we will stand behind it and repair it at no cost to you. If we can't repair the product then we will replace it with a product of equal or better value. No receipt required and fully transferable.

**All Simmons® products carry a limited warranty against defects in workmanship or materials. Product lifetime is defined as 30 years for Riflescopes, 20 years for binoculars and spotters, 5 years for electro-optics and electronic components (laser rangefinders, red dot sights, and reflex sights). Coverage period start date is determined by proof of purchase or manufacturing date of the product. This warranty does not cover cosmetic damage; damage caused by failing to properly maintain the product; loss; theft; damage as a result of unauthorized repair, modification, or disassembly; intentional damage, misuses, or abuse. This Warranty will be void if the date stamp or other serialization codes have been removed from the Product. We may replace your product with a product of equal or better physical condition.*

How can I request service under my warranty?

No receipt, warranty card, or product registration is required in order to assert a warranty claim.
